

# LONGLEAF ACADEMY

## *Foundations*

***Longleaf Foundations*** is a condensed course from the *Longleaf Academy Program*, designed for those that would like to begin building a solid foundation of longleaf knowledge. Expert instruction through a combination of classroom lectures and hands-on exercises will jump-start your longleaf education.

### ***Topics covered:***

- cultural and natural history
- fire and longleaf
- site preparation
- seedling quality
- proper planting techniques
- restoring groundcover
- managing for wildlife
- and local management topics.
