## What to Expect:

- ◆ Participate in a live burn—a flexible event date allows us to find the best burn day based on weather conditions.
- ◆ Learn prescribed burn techniques that you can use on your own land.
- ◆ Learn about a prescribed burn plan, smoke management, fire weather, liability laws, financial resources, and burn permits.

## Who Should Attend:

- ◆ Ideal participants are landowners/ land managers with minimal to no prescribed fire experience.
- ◆ Participants are required to sign a waiver on the day of the event.
- ◆ Participants must expect to be active most of the day, walking on uneven ground and using/carrying tools.
