15TH BIENNIAL LONGLEAF CONFERENCE

OCTOBER
8-11, 2024

SANDESTIN
GOLF & BEACH RESORT

[LONGLEAFCONFERENCE.COM](https://longleafconference.com)

The Longleaf Alliance is excited to host the 15th Biennial Longleaf Conference on October 8-11, 2024, in Miramar Beach, Florida at the Sandestin Golf & Beach Resort.

JOINING TOGETHER FOR TOMORROW'S FOREST

The 15th Biennial Longleaf Conference will meet in the heart of the Gulf Coastal Plain Ecosystem Partnership (GCPEP) landscape, home to some of the best remaining longleaf pine habitats in the world, including at least 50% of the surviving old-growth longleaf.

Open to individuals, private landowners, land managers, wildlife biologists, conservation groups, students, consultants, researchers, forestry professionals, and agency and outreach personnel who share an interest in longleaf pine ecosystems, the conference draws up to 400 attendees and 30+ exhibitors and vendors.

ABOUT THE BIENNIAL LONGLEAF CONFERENCE

The Biennial Longleaf Conference is the longest-running event focused on the restoration and conservation of the longleaf pine ecosystem that once dominated the southeastern U.S.

The Conference provides opportunities to share, learn, and celebrate longleaf pine and its ecosystem, while also serving as a rallying spot for other organizations and agencies, like the Longleaf Partnership Council of America's Longleaf Restoration Initiative.

The Biennial Longleaf Conference moves throughout the longleaf range to accommodate the nine-state geography of longleaf enthusiasts.

CONFERENCE HIGHLIGHTS

- + Keynote addresses from leaders in the field of longleaf restoration, conservation, and management
- + Concurrent sessions that include presentations focusing on various aspects of the longleaf forest
- + Exhibitor opportunities for non-profits, government, and commercial vendors
- + Networking, silent auction, and socials
- + Field tour to exemplary longleaf destinations

READY TO JOIN US?

Sponsorships offset conference expenses, making costs manageable for participants. Sponsors will receive special recognition through a variety of channels.
