LIVE MUSIC

by Jacob Kirkland
10am-2pm

BURNER BOB® CAMEOS

A cool dude with a hot message!

Appearances at
~11am and ~1pm

BURN DEMOS

Come watch & learn how wildland fire professionals safely conduct prescribed burns!

Burn Demo 1: ~10am
Burn Demo 2: ~12pm
Burn Demo 3: ~2pm

LOCATION:
Pate Street
across from the
Gulf Clean
Energy Center

Watch thermal imagery and rate of spread displays by
UF Milton's Dr. Carissa Wonkka!

GUIDED HIKES

Led by **Dr. Frank Gilliam** from UWF

Hike 1: 9:30am (~45mins / ~1.5miles)
Hike 2: 11:30am (~45mins / ~1.5 miles)
Hike 3: 1:30pm (~45mins / ~1.5 miles)

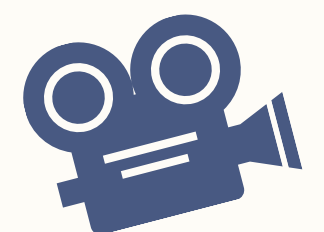

Please arrive at the meeting point (on map) at least 5 minutes before the start time

This is NOT a hike to the burn demo. Dr. Gilliam will guide you through the mosaic of habitats on UWF's trail system

BURN DEMO MAP

HOW CAN I GET TO THE BURN DEMO?

Personal Vehicle:

~6 miles
 ~13 minute drive

FREE parking available at both the main festival & burn demo site

FREE Shuttles:

Please arrive to the shuttle pick up area **50 minutes** before your intended burn demonstration. Shuttles will **depart 45 minutes prior** to each demo and occur on a rolling basis.

Shuttle capacity is **limited** and passengers will be accommodated first-come, first-served. We apologize for any wait times!

Self-Guided Hike:

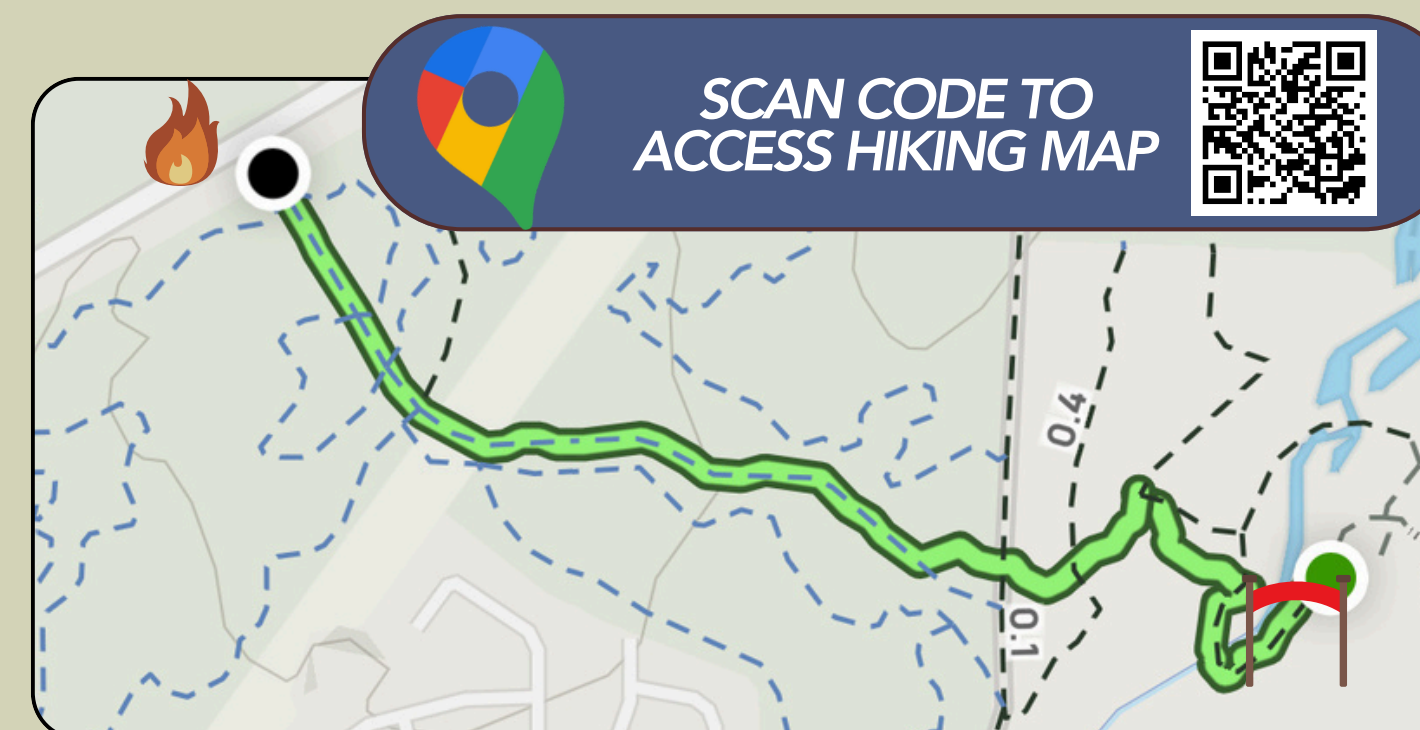

We recommend leaving 45 minutes before the start of your intended burn demo

There will be drinking water available at your arrival!

We ask that, if you hiked to the demo, that you please also hike back to the main festival site. Shuttle capacity is limited. We will accommodate you on shuttles if we have space.

~1.2 miles
 ~35-45 minutes
 Moderate difficulty
 Not stroller friendly

Follow the arrows to get there, and please stay on trail!
