

Learn & Burn Field Day

WHAT TO EXPECT:

- Participate in a live burn
- Learn prescribed burn techniques for use on your own land.
- Learn about burn plans and permitting, smoke management, fire weather, liability, cost share, and wildlife/vegetation mgmt.
- Ask experienced professionals questions.
- Ideal participants are landowners / land managers with limited prescribed fire experience.
- Participants are required to sign a waiver on the day of the event.
- Participants can expect to be active, walking on uneven ground, using/ carrying tools and high temperatures.
- Participants must wear all natural fiber (cotton, linen, wool) or fire retardant pants and shirts. Leather boots preferred.
- Participants are encouraged to bring eye protection and leather gloves. Items will be provided if needed.
- Lunch is provided
