

Learn to Burn Workshop

Chatom, Washington County, AL

Date: June 22-27, 2026**

Time: 8:30 am – 4:00 pm.

** First available burn day. Participants will be given 2 days advance notice with exact location.

Details: Southern Pine Hills PBA is hosting a Learn to Burn Growing Season Workshop. Attendees will experience this day long “start to finish” prescribed burn. Participants will be assigned to crews. Each crew is led by experienced, Alabama Certified Prescribed Burn Managers. Participants will spend the day observing, asking questions, and gaining hands-on experience with ignition and holding operations.

Lunch is provided

Requirements: This is a live fire event in the field. Participants should expect to spend most of the day on their feet walking around the burn unit. Participants need to wear natural fiber clothing (jeans, long-sleeved cotton shirts, leather boots), no synthetic materials.
